TEQUILA, TACOS *and* TOMBSTONES

GUIDED CULINARY TOUR IN OLD TOWN

This unique culinary adventure combines food and history into a one of a kind, unforgettable experience. Travel back in time with us as we explore the Birthplace of California and the events and people who have transformed Old Town San Diego into the cultural destination it is today. Come with us on one of the most in-depth tours of Old Town as your knowledgeable tour guide takes you on a journey through the historical eras, from the early Spanish settlements to the establishment of Mexican Independence to the California Gold Rush. It's a day full of authentic food tastings, traditional cocktail samplings, and fun!

TEQUILA!

With deep roots in the Mexican culture, Old Town San Diego is not only bursting with cultural flare, but plenty of tequila to whet your appetite! While this is not a tequila tasting tour and we won't be consuming shots, we will be sampling a few tasty customary cocktails along the way.

TACOS!

What's a food tour without some good eats? Sample some authentic Mexican cuisine from a few of our favorite Old Town restaurants, including one voted Best Mexican Restaurant for over 7 years! Not only will you taste some tantalizing tacos, but you will also experience the flavors of a homemade tortilla made right in front of your eyes. The food on this tour is plentiful, so come hungry.

TOMBSTONES!

Old Town didn't survive hundreds of years of history without adding a few ghost stories to its name. This tour takes you to one of the oldest graveyards in San Diego where you will find out why the past still haunts the present. Stop by the Whaley House, named America's Most Haunted House, and possibly encounter one of the ghostly spirits whom still hang around this historic home.
